

12 x Tables

Happy

Yeah! No offense to you, don't waste your time, here's why... because I'm happy...

$$12 \times 1 = 12 \quad \&$$

$$12 \times 2 = 24 \quad \text{yeh-ay}$$

$$12 \times 3 = 36 \quad \&$$

$$12 \times 4 = 48$$

hmm-hmm

$$12 \times 5 = 60$$

$$12 \times 6 = 72$$

yeah-eh-ay

$$12 \times 7 = 84 \quad \&$$

$$12 \times 8 = 96$$

Hey, come on, uh!

$$12 \times 9 = 108$$

$$12 \times 10 = 120 \quad \text{yeah}$$

$$12 \times 11 = 132$$

$$12 \times 12 = 144$$

Because I'm Happy...
Happy...
